

King's Gardens Donation Request

King's Gardens' employees love people-to-people connections, and believe that meeting neighbors and working toward common goals helps develop strong communities. We are proud to support non-profit organizations in local communities through in-kind donations or gift cards.

To apply for a donation, this application must be completely filled out 3-4 weeks prior to the date needed for consideration. Letters, brochures, and the like may accompany the application but they do not replace it. You will receive a response from us prior to your event if approved. If approved, you will receive an in-kind donation or a gift card that can be used for any product at King's Gardens. Cash donations will not be given. The average donation is \$25 to allow us to help more organizations.

A completed application is not an agreement to honor your request. Donations will not be given more than one time within the calendar year. A previous donation does not guarantee a donation will be offered again. By accepting a donation, you are giving us permission to publish your organization as a recipient of a donation. While we would like to be able to meet every request, we must focus on our efforts on those that provide the most benefit to King's Gardens and our community.
